The mission of the Movement is to bring about behavioural changes and move towards a more physically active lifestyle. The various initiatives proposed under this mission are aimed at achieving the following objectives

- To create a platform for citizens of India to share information, drive awareness and encourage sharing of personal fitness stories

The Ministry of Education has developed a FIT INDIA Portal for all students and staff of Higher Educational Institutions to have physical fitness, mental fitness, along with social, emotional & intellectual well-being. All the higher educational institutions and their affiliated colleges/ institutions are requested to encourage students and staff register themselves on FIT INDIA website at <https://fitindiahe.education.gov.in> and update data relating to fitness activities conducted at different time points.
