[Subject : Proposal to organise awareness program about MBA and MBA Entrance Examination.]

Sir/Ma'am,

Before stating our purpose we would like to introduce our company **Siksha Education Consulting & Trust** an education industry which is running through past 10 years providing career counselling in pan India.

It's high time that our upcoming youth have a clear understanding and importance of a career. A career counselling program could open a hundred of new horizons that our youth are unaware of. The program will inspire students and help them to explore their talents, strengths, and interests. The students will also be making informed decisions and will be able to set future pathways to success for themselves.

We and the rest of the team are asking for your wholeheartedly approval for counselling to all your students on \_\_\_\_\_ which will be held in your college campus. It's such an honor to spread and share our knowledge to your entire student.

There would be training and guidance opportunity by the eminent industry members and professionals for capacity building and enhancing domain knowledge according to the courses they would opt for future. Organising pre-placement Orientation program / training / workshops / seminars for students to keep them up-to-date. Assisting students for industrial training before or after the completion of the Course. Acting as a link between students, alumni and the recruiters. These activities aid students in developing effective teamwork, active listening, and both verbal and nonverbal communication skills. They also grasp the ability to deal with difficult circumstances, communicate their ideas clearly, and develop professional connections. Soft skills development offers chances to form relationships, practice good communication, and adopt a professional demeanor.

Lastly, there would be Self-development counselling session helps you to understand: who you are; how and why you are the person that you are; where your strengths and limitations lie; and what your barriers are.
